BEEN PUAKO

No additional information was received yesterday by Hind, Rolph & Co. concerning the reported loss of the coast of Vancouver island. There is a doubt of the truth of the report received Saturday night, since it is stated that lumber from the wrecked vessel was strewn along the Vancouver coast, as the Makaweli sailed from Tacoma on October 20th with a cargo of coal. Another barkentine belonging to the same company, the Puako, left Puget Sound on November 6th with a lumber cargo. She may have met with disaster .- Chronicle, Nov. 23.
